

AACI ANNUAL BANQUET SPONSORSHIP LEVELS

Asian Americans for Community Involvement (AACI) is Santa Clara County's largest non-profit health and human services organization focused on the Asian Pacific American community. Since 1973, AACI's linguistically proficient and culturally sensitive services have provided critical support to the community. However, we could not do it without you. With your generous support, we continue providing the high quality of service that the community needs.

We are extremely excited about our upcoming anniversary of 35 years of service. We plan to make our AACI Annual Banquet on May 16, 2008 an event to remember and we have taken extra care to make sure that the generous support of our friends is properly recognized.
